EXPERIENCE

DNDC(Danforth Neighbourhood Dental Center), 643 Danforth Ave. Toronto,ON— *Dental Assistant*

July 2017 - October 2020

- Performed administrative tasks such as keeping track of the inventory and placing an order.
- Worked in a team environment which is assisting a dentist and an anesthesiologist during a procedure.
- Entering data into a dental software by communicating to the dentist on his/her diagnosis or findings from the patient.
- Follow instruction by communicating to the dentist on what instruments and materials are needed for a particular dental procedure.
